Dear Colleagues and Friends

Crime is as old as the human civilization itself, the law medicine relationship has been traced as back as 4000 to 3000 B. C. Successful investigation of a crime as well as fair administration of justice also depends on quality of scientific evidences.

In today's juncture, in the Indian scenario the situation is rather grim with violence against woman and children. Incidences are on rise, criminal justice system is slow, leading to piling up of public grievances. Crime scenario is rapidly changing at global level. Latest technologies are used by criminal to commit crime against woman. Application and coordination of Judiciary, Police and Medical Experts supported by Forensic Scientists would be effective in giving expedited free and fair justice. This conference aims at providing a platform to suggest effective measures at private, semi government and government setup for effective implementation of the above.

We take great pleasure in inviting you all to the XVIth Annual Conference of Medicolegal Association of Maharashtra to be held at Lokmanya Tilak Municipal Medical College & Lokmanya Tilak Municipal General Hospital, Mumbai on 30th September, 1st October and 2nd October 2012.

The venue Mumbai, an alpha world city is the commercial and entertainment capital of India, it is also one of the world's top 10 centers of commerce. It's a unique metropolis reflecting cultural unity and integrity of this country, undoubtedly with approved greatest potential of tourist's destination.

We once again welcome you all to this grand academic platform and assure you that all possible efforts will be made to make your visit a memorable one with comfortable stay.

Please do join this conference!
